AuthorAID Small Grants 2014 (2) - Workshop

1. Welcome!

FOR REFERENCE ONLY. This is the PDF copy of the actual application form, which is online. DO NOT FILL OUT THIS FORM. It's meant only for reference. Use the online application form to apply: https://www.surveymonkey.com/s/HSQ6PMH

This is the application form to apply for a workshop grant under the AuthorAID Small Grants scheme.

Four candidates from eligible countries will receive this grant, following a competitive selection process. Each of the successful grant recipients will receive USD (US Dollar) 2500 to cover the expenses for conducting a workshop on a topic related to research communication.

The application deadline is August 31, 2014 (10 PM GMT). Grant recipients will be notified sometime before September 15, 2014.

We encourage applications from anyone with an interest in building local capacity in research communication and who meets the eligibility criteria (described later in this form). We also encourage applications from people who have previously attended an AuthorAID train-the-trainers workshop.

Please note that we can fund only research communication workshops. Some of the possible topics that can be covered in a research communication workshop include the following:

Writing a research paper

Scholarly publishing and other forms of research communication

Writing a grant proposal

Specialized aspects of research communication (such as statistics)

Other topics may also fall within the scope of research communication, as long as they are somehow connected to the communication of research. The goal of the workshop must be to improve the participants' ability in communicating their research.

2. About This Application

This application form consists of several pages. The first few pages have information on the grant and eligibility. The remaining pages have questions.

Please read everything on this form carefully, and follow the instructions closely. Give yourself enough time to complete the form.

Please respond to all questions in English.

Please be ready to complete the form in a single session, as partial applications cannot be saved. So your answers are ready, we suggest that beforehand you read the PDF copy of the application form (provided on the AuthorAID website) and draft your responses. If you have any questions after reading the PDF copy, write to authoraid@inasp.info.

Please do not use the "Back" and "Forward" buttons of your browser while you work on this form. Use only the "Previous" and "Next" buttons at the bottom of every page.

All the best!
